

- **Wind load stability**
- **Driving rain tightness**
- **Permeability**

Technical report no.: 105 27783
Test institute: ift Rosenheim

Client: SOLARLUX Aluminium Systeme GmbH
Gewerbepark 9-11
49143 Bissendorf

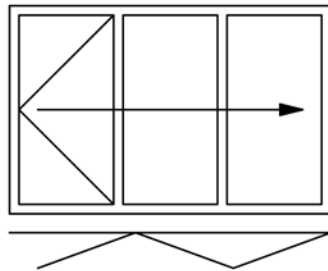

Product/Component Three-panel folding façade (I-3R / I-3L)

Designation SL 80 / SL 81

Exterior dimensions (W x H) 2700 mm x 2300 mm

(Frame) Material Aluminium / Polyamide composite profiles

Special features -/-

Wind load stability - EN 12210

Class C3

Driving rain tightness - EN 12208

Class E900

Permeability - EN 12207

Class 4
